For Skylar Sue

May your adventures never end.

Yay! My birthday is finally here!

What's for breakfast, Boys?

Sorry. We ate everything. Dad left you a note, though.

I wonder what it says?

But, It's my birthday.

Skylar Sue

That's... Interesting.

Alex

Dear Sky,

Your mom had some errands to run, and I am going out to play a round of frolf.

You and your brothers meet me in the park after breakfast. I have a suprise for you!

Love,

Dad

Will there be snacks?

Levi

Meow, Meow?

Cat Cat

Let's go boys. Time's a wasting!

How will we find him?

Where could he be?

There's only one way to find out!

We start looking!

So the group headed out to find their dad...

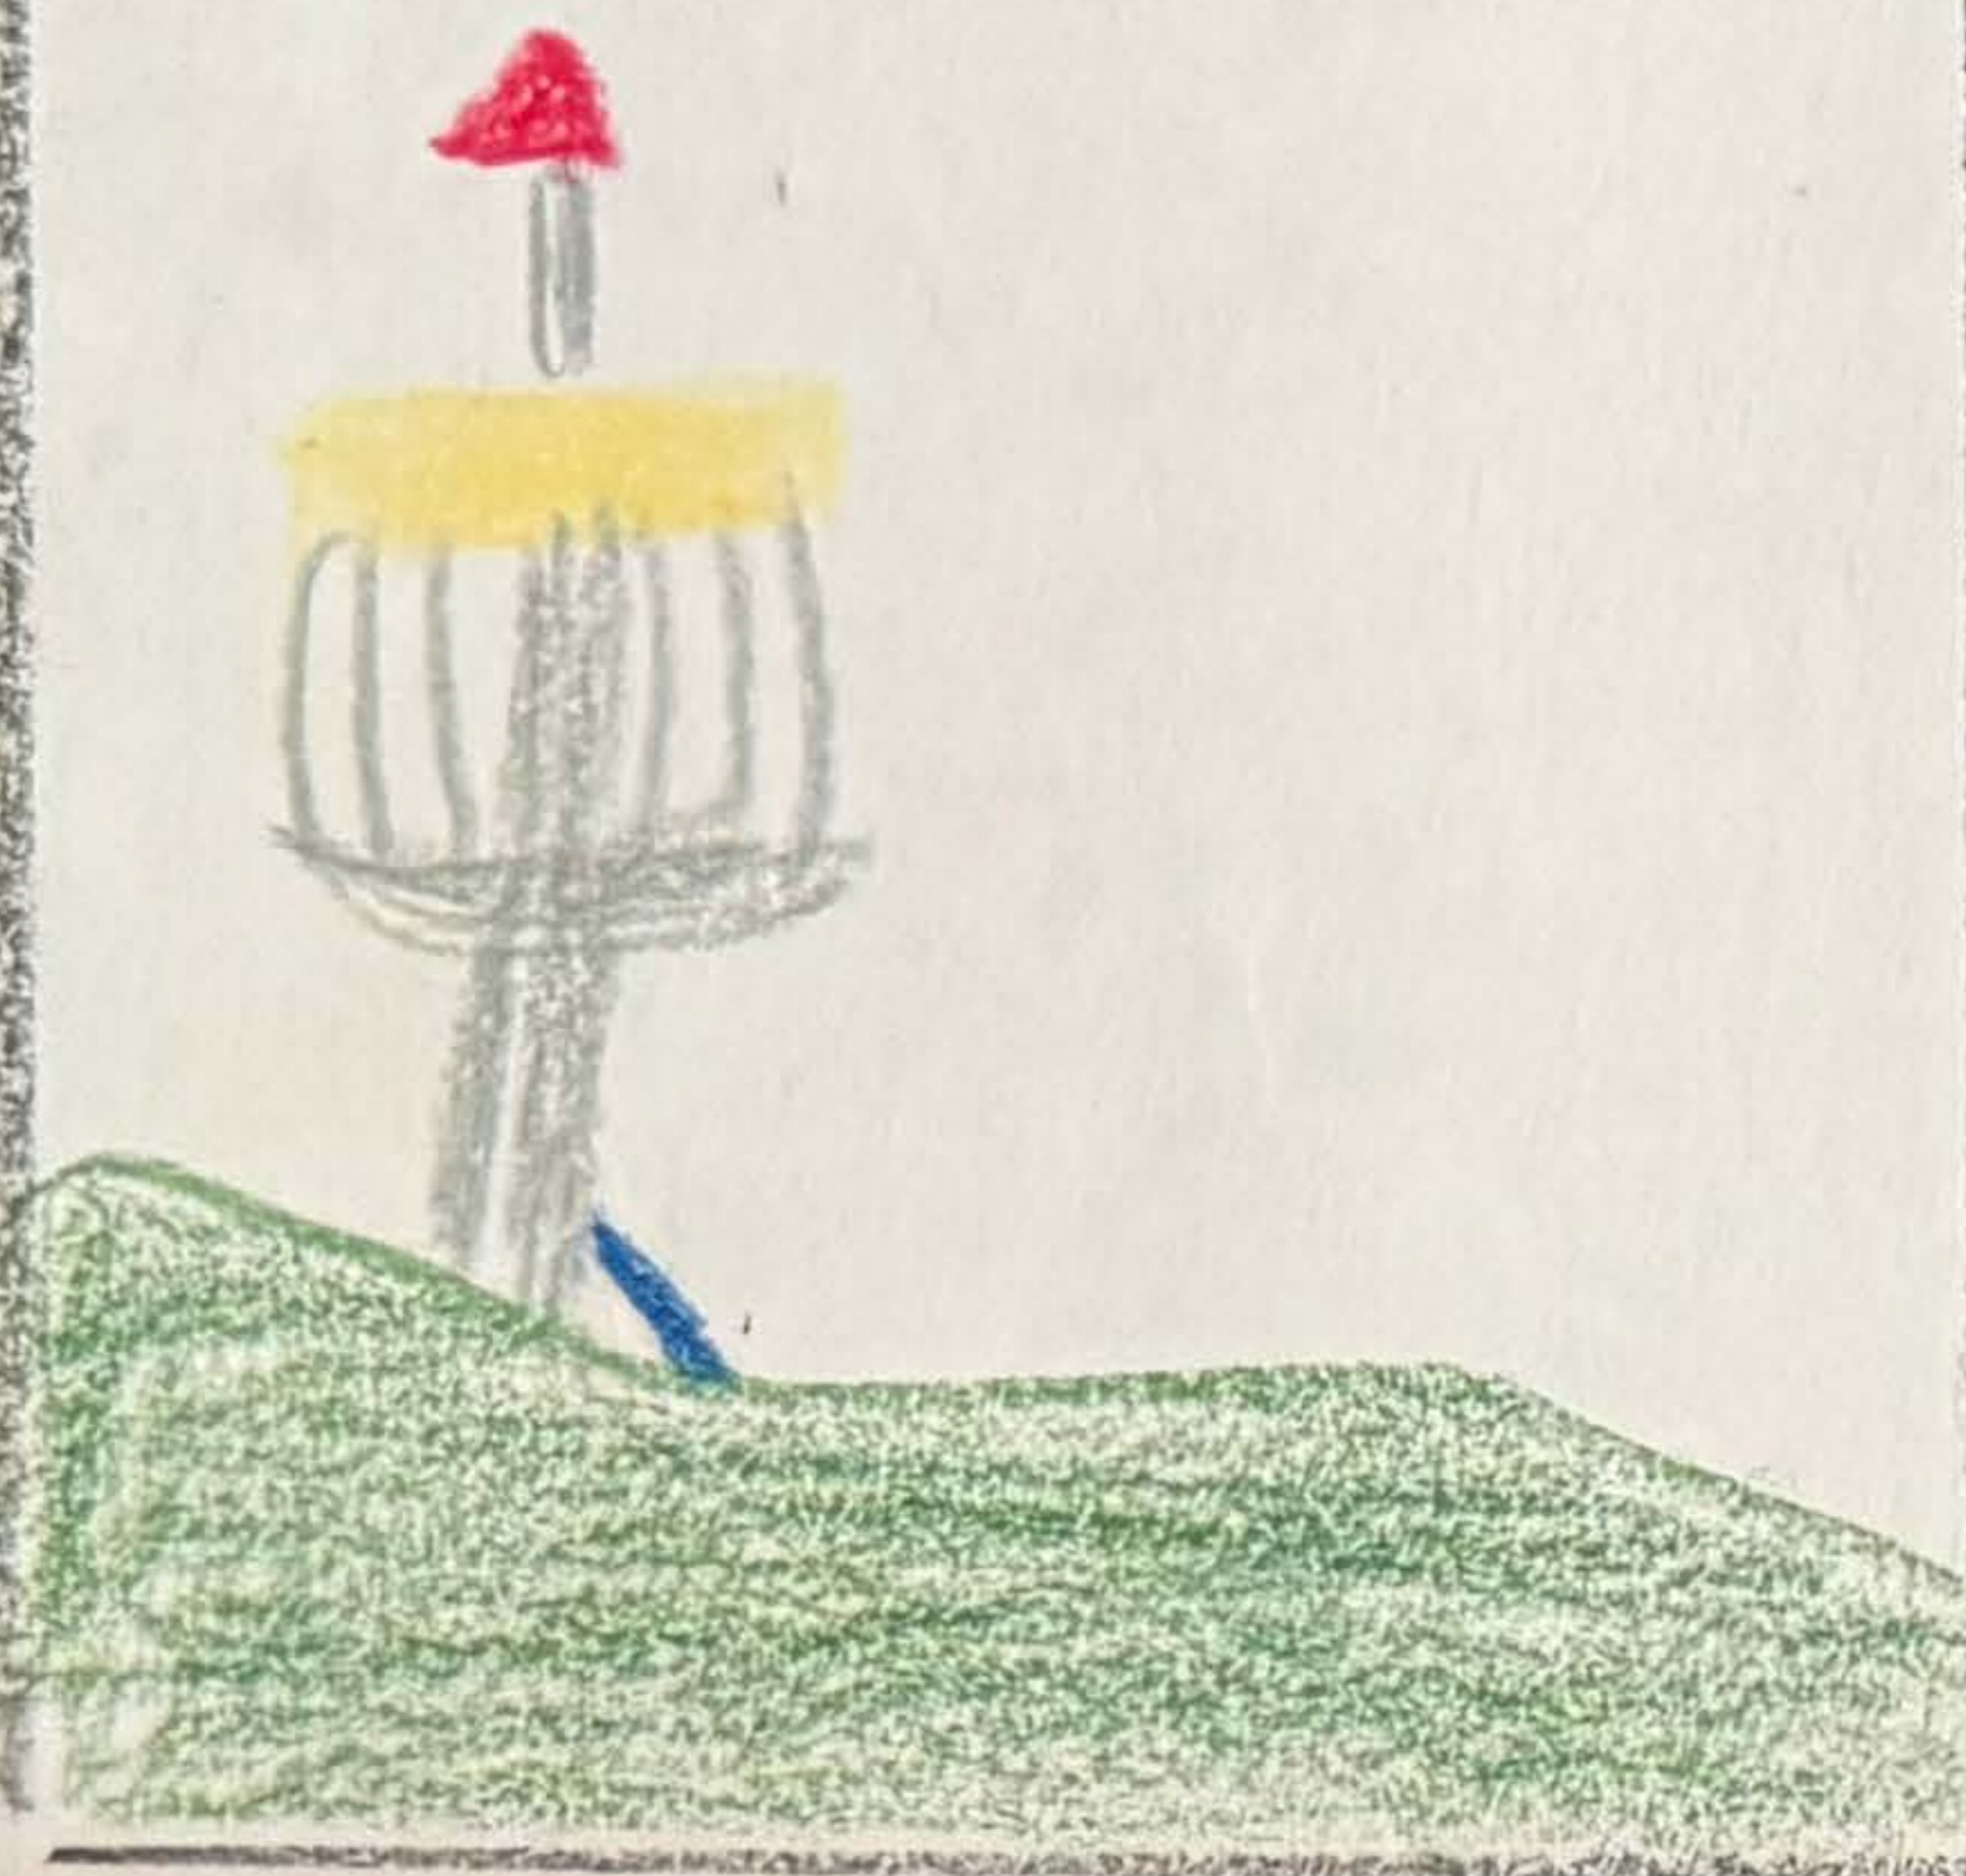

...but found only a disk.

Oh, my!

No way!

Meow!

What?

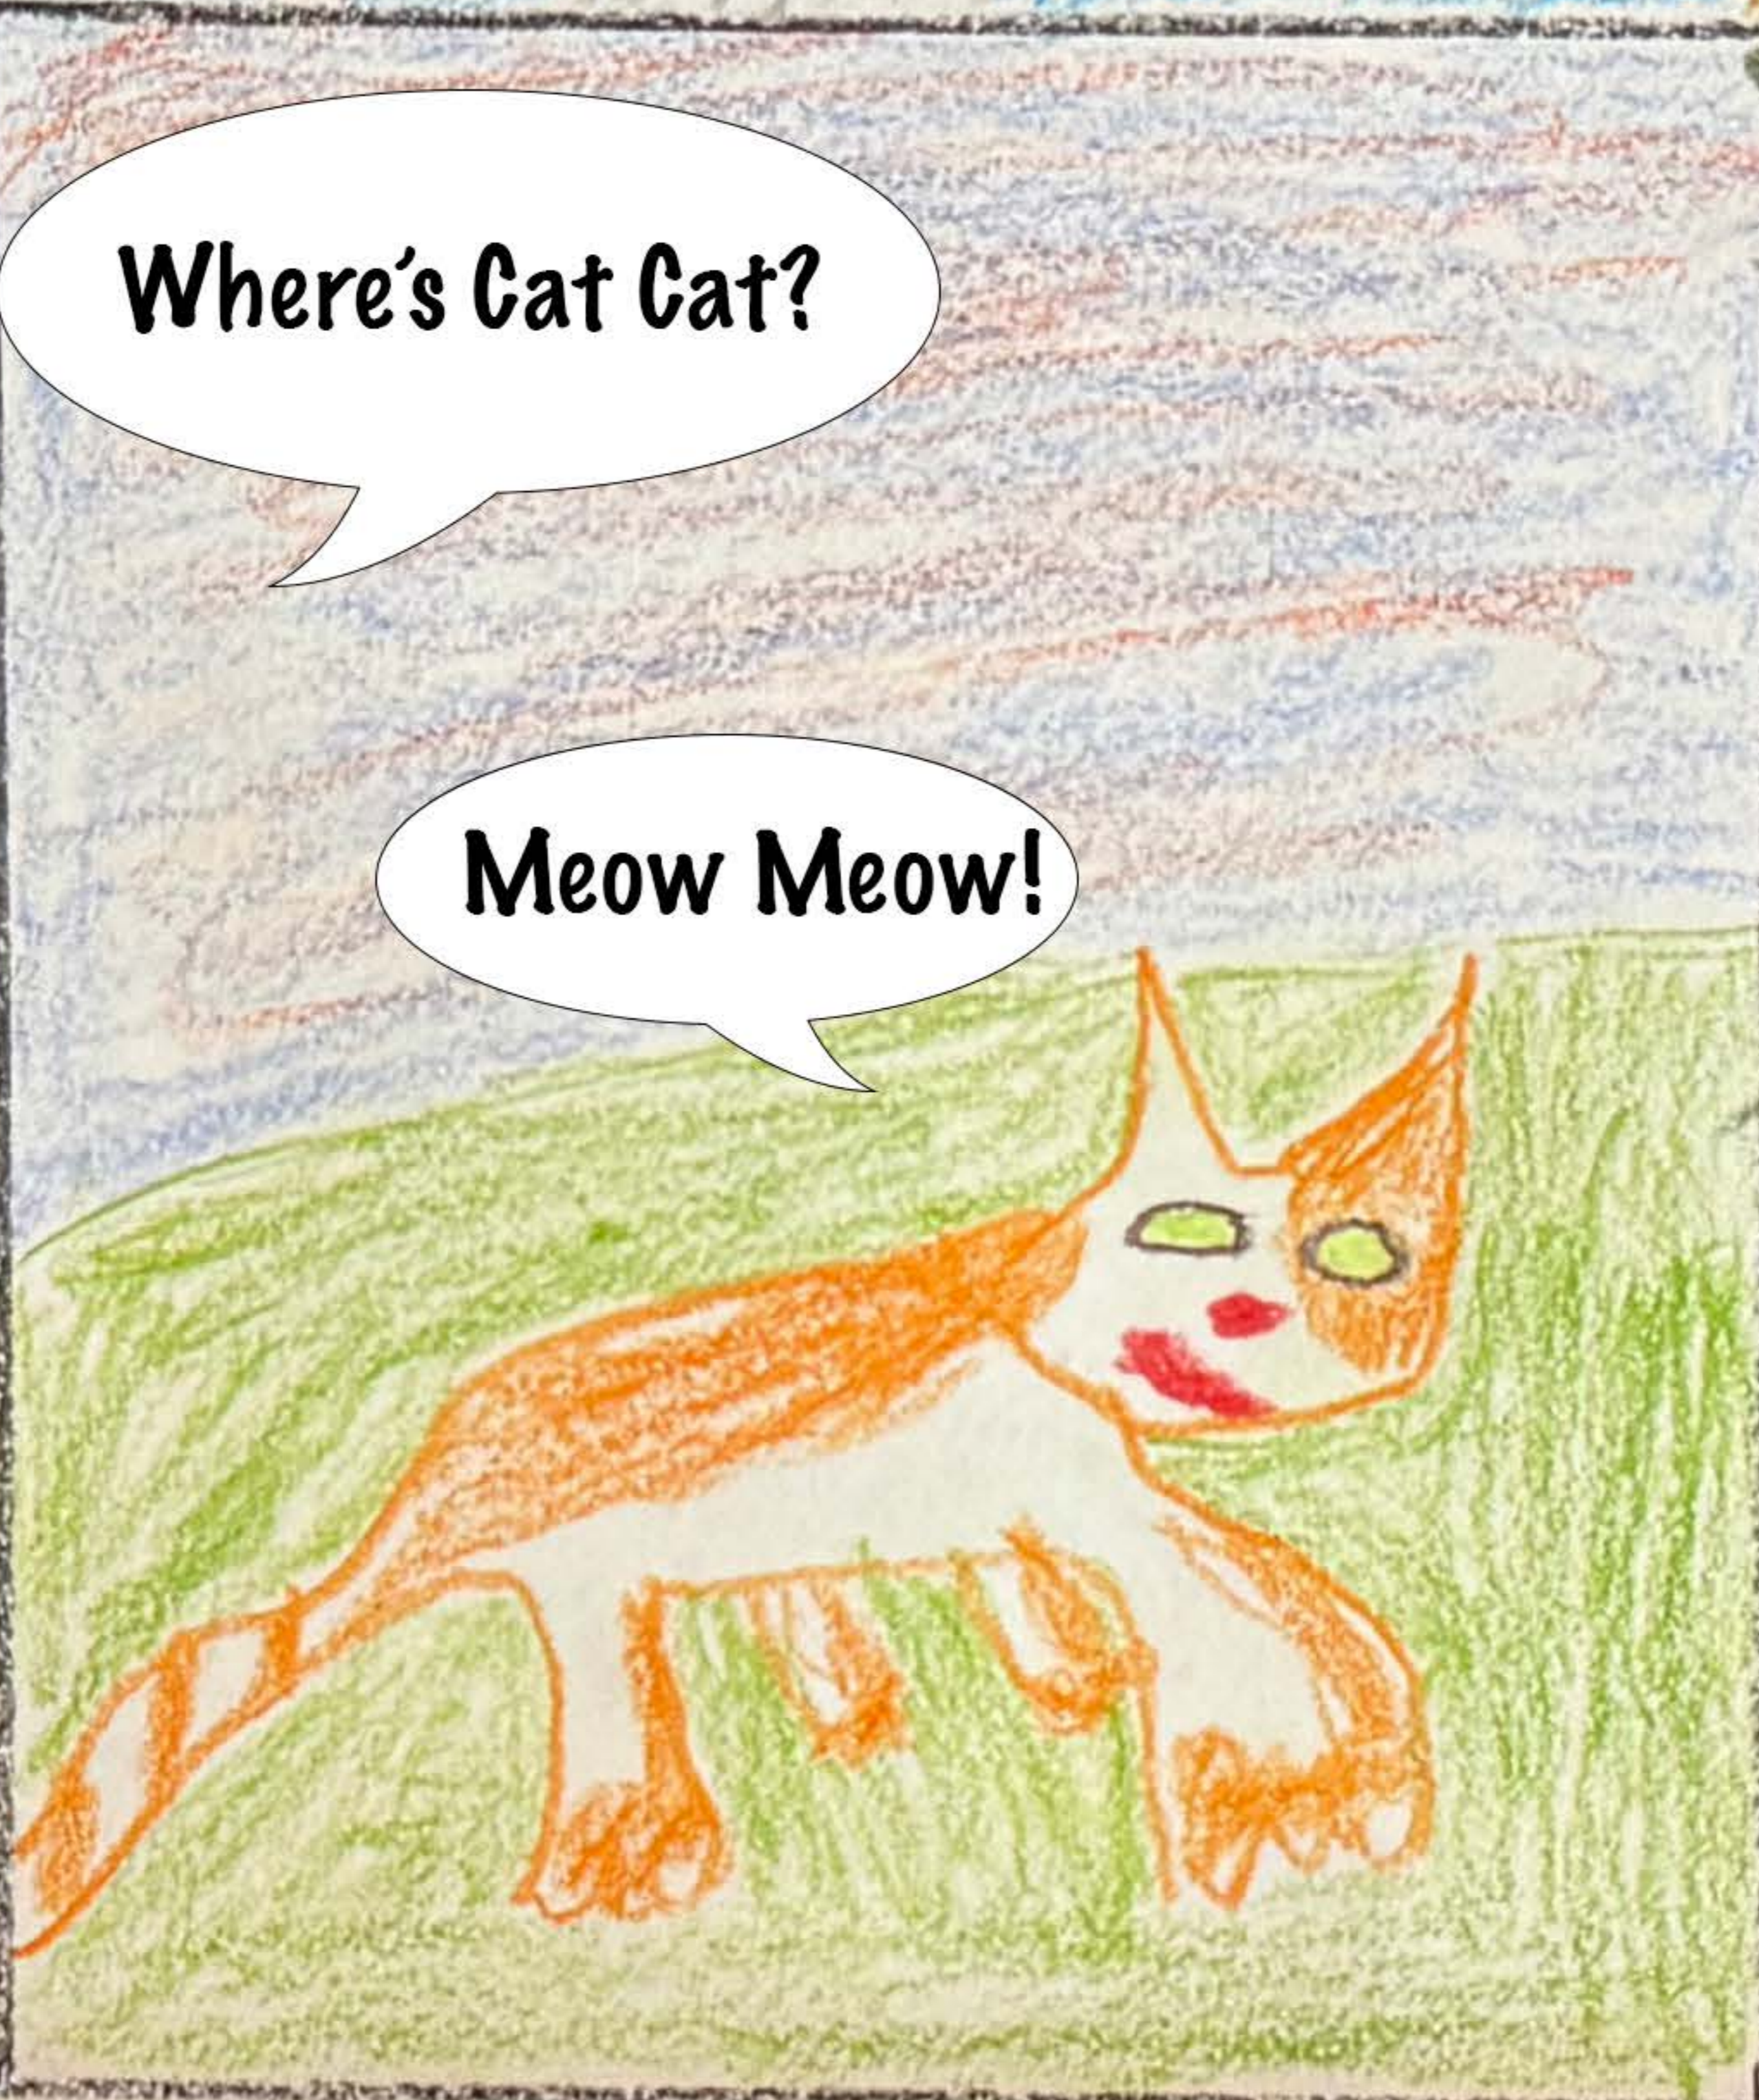

This is dad's favorite disc!

Really?

Are you sure?

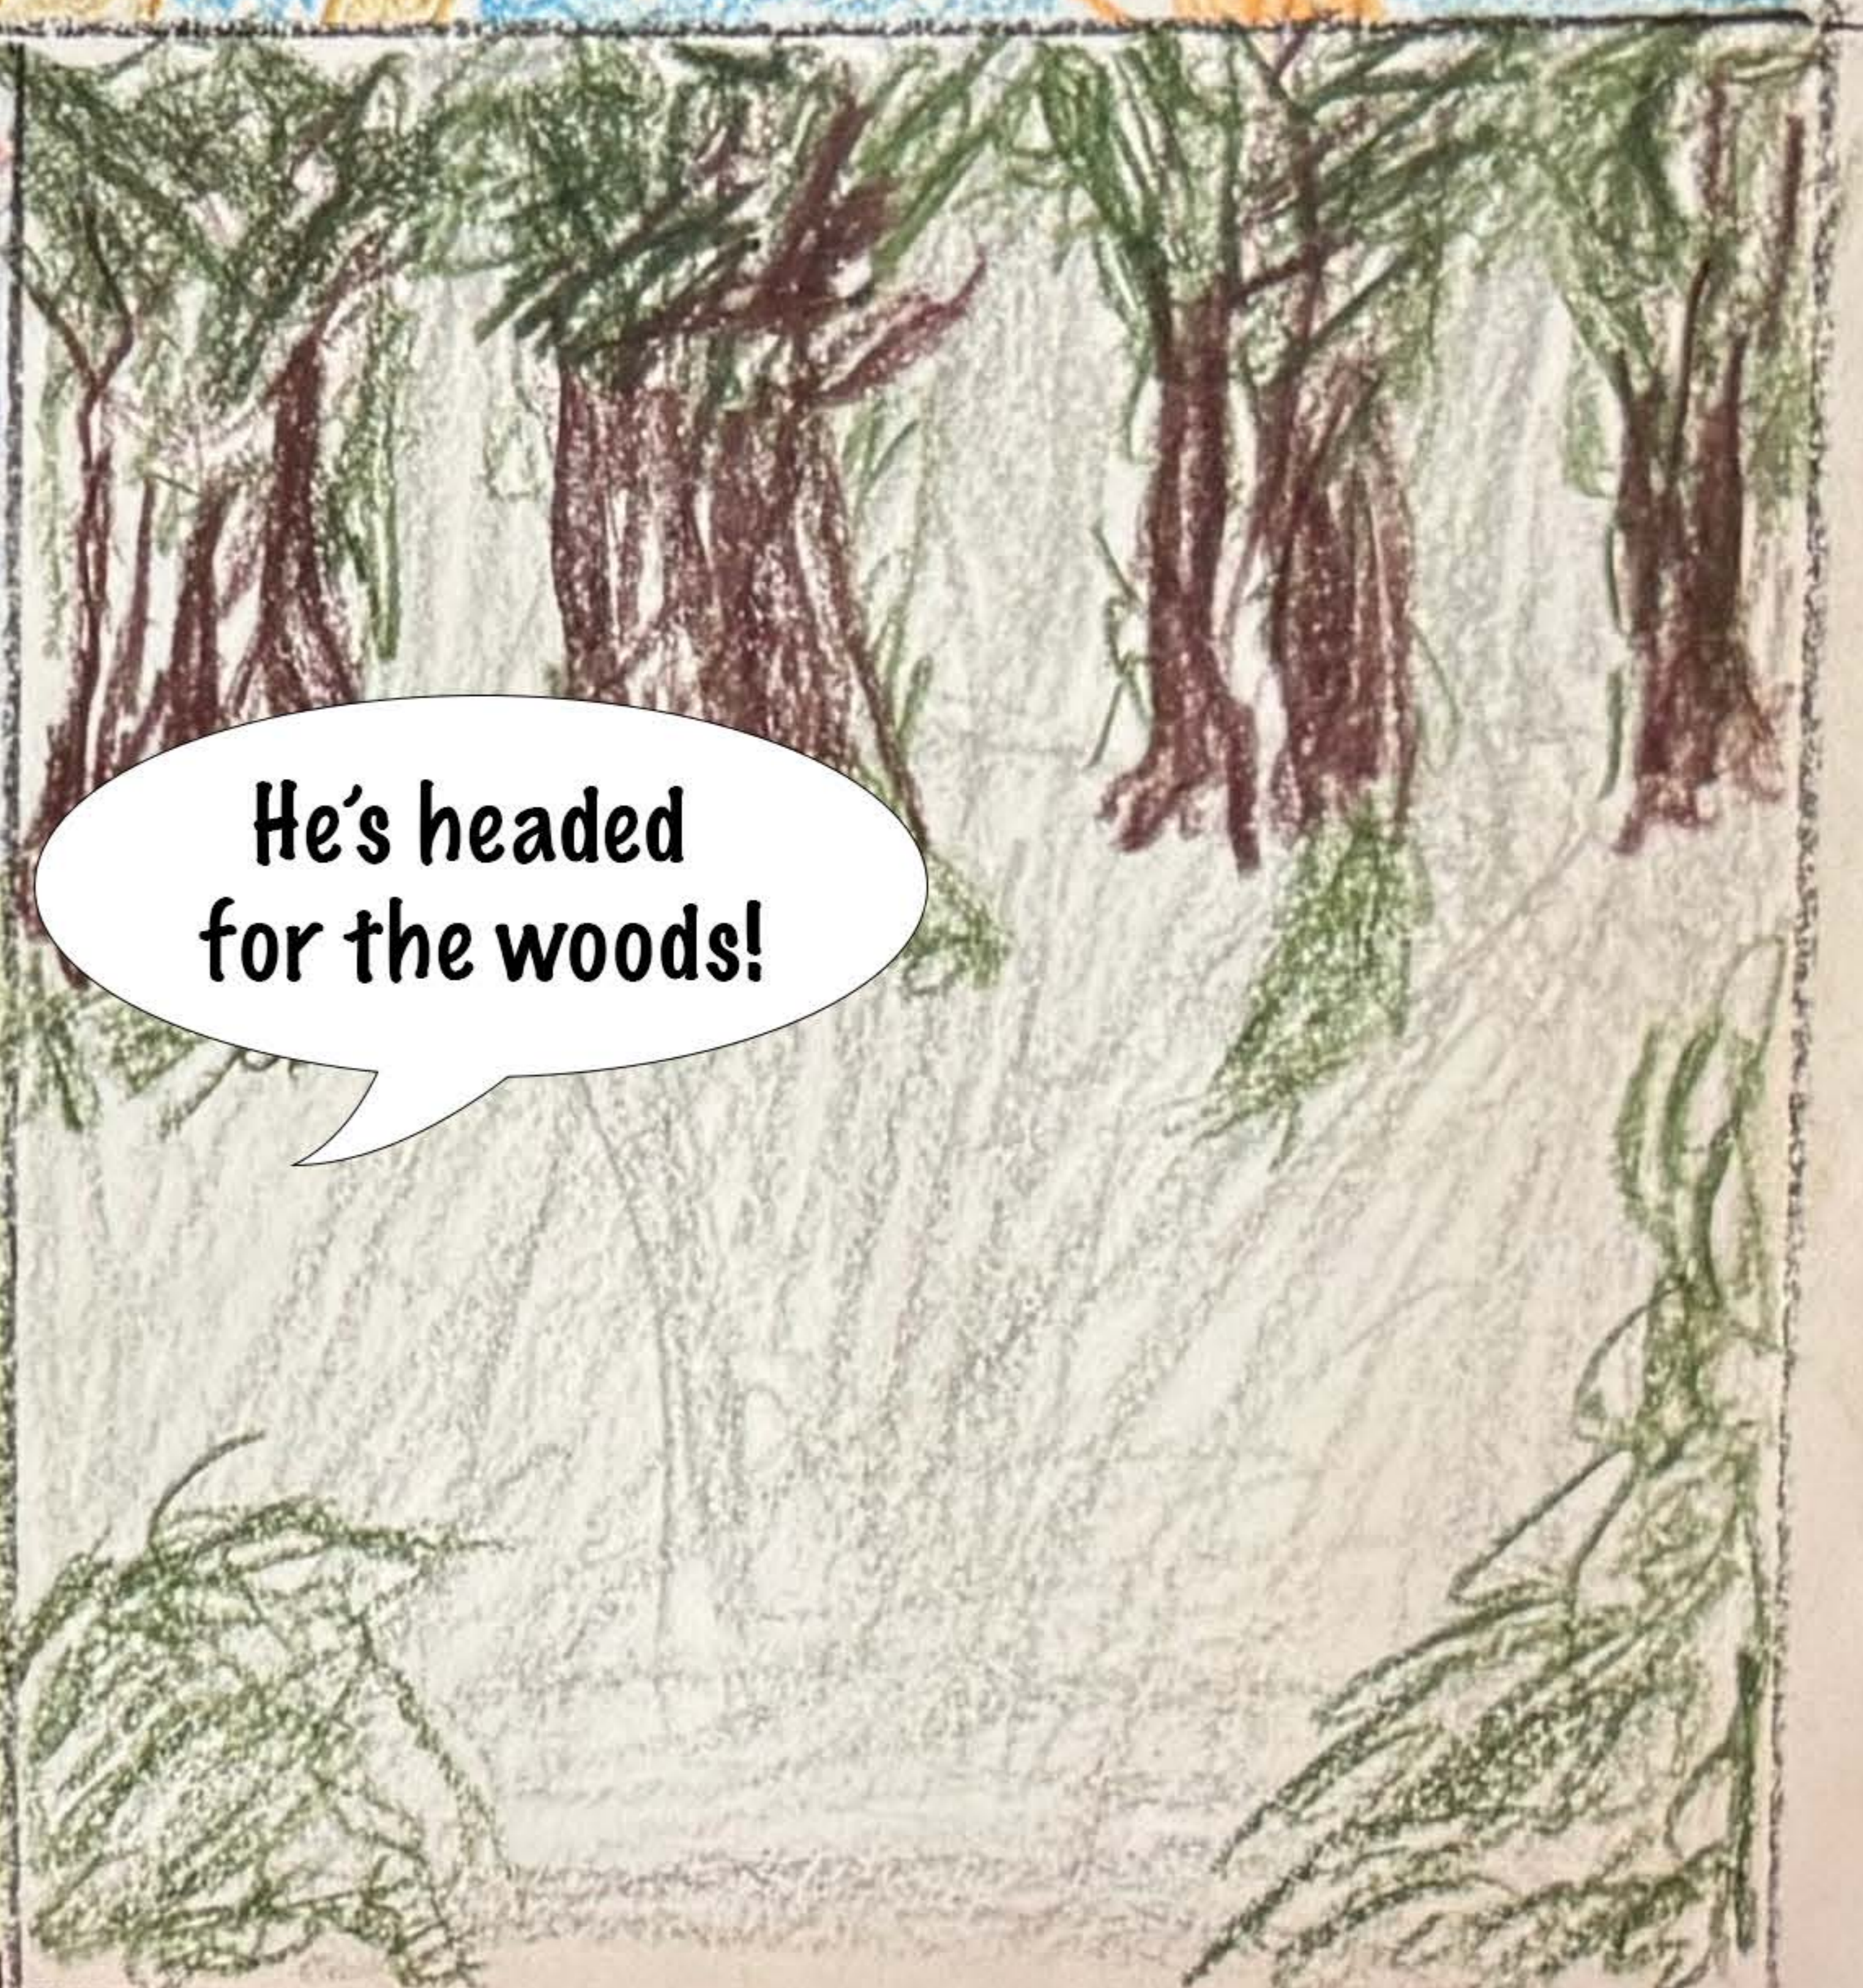

Wait!

Where's Cat Cat?

Meow Meow!

He's headed for the woods!

Look! Cat Cat is onto something. We have to follow him into the woods!

Which path do we take?

We have to split up!

Cat Cat! Wait!

Meow!

Ay, Caramba!

Oh, Dear.

Oh, Boy..

Alex's Path

A boy in a blue shirt is seen from behind, walking through a dense forest of tall, thin trees. The scene is dimly lit, suggesting dusk or dawn.

It sure is spooky in here.

The boy is looking up at a small, orange owl perched on a tree branch. The owl has large, round eyes and a yellow belly.

Wow,! It's an owl.

A large, close-up illustration of the owl perched on a thick tree branch. The owl has a yellow face and a large yellow circle on its chest. Its wings are a mix of orange and brown.

Hoot!

The boy is shown in profile, reaching out with both hands towards the owl. He has a surprised expression on his face.

Wait! Don't fly away!

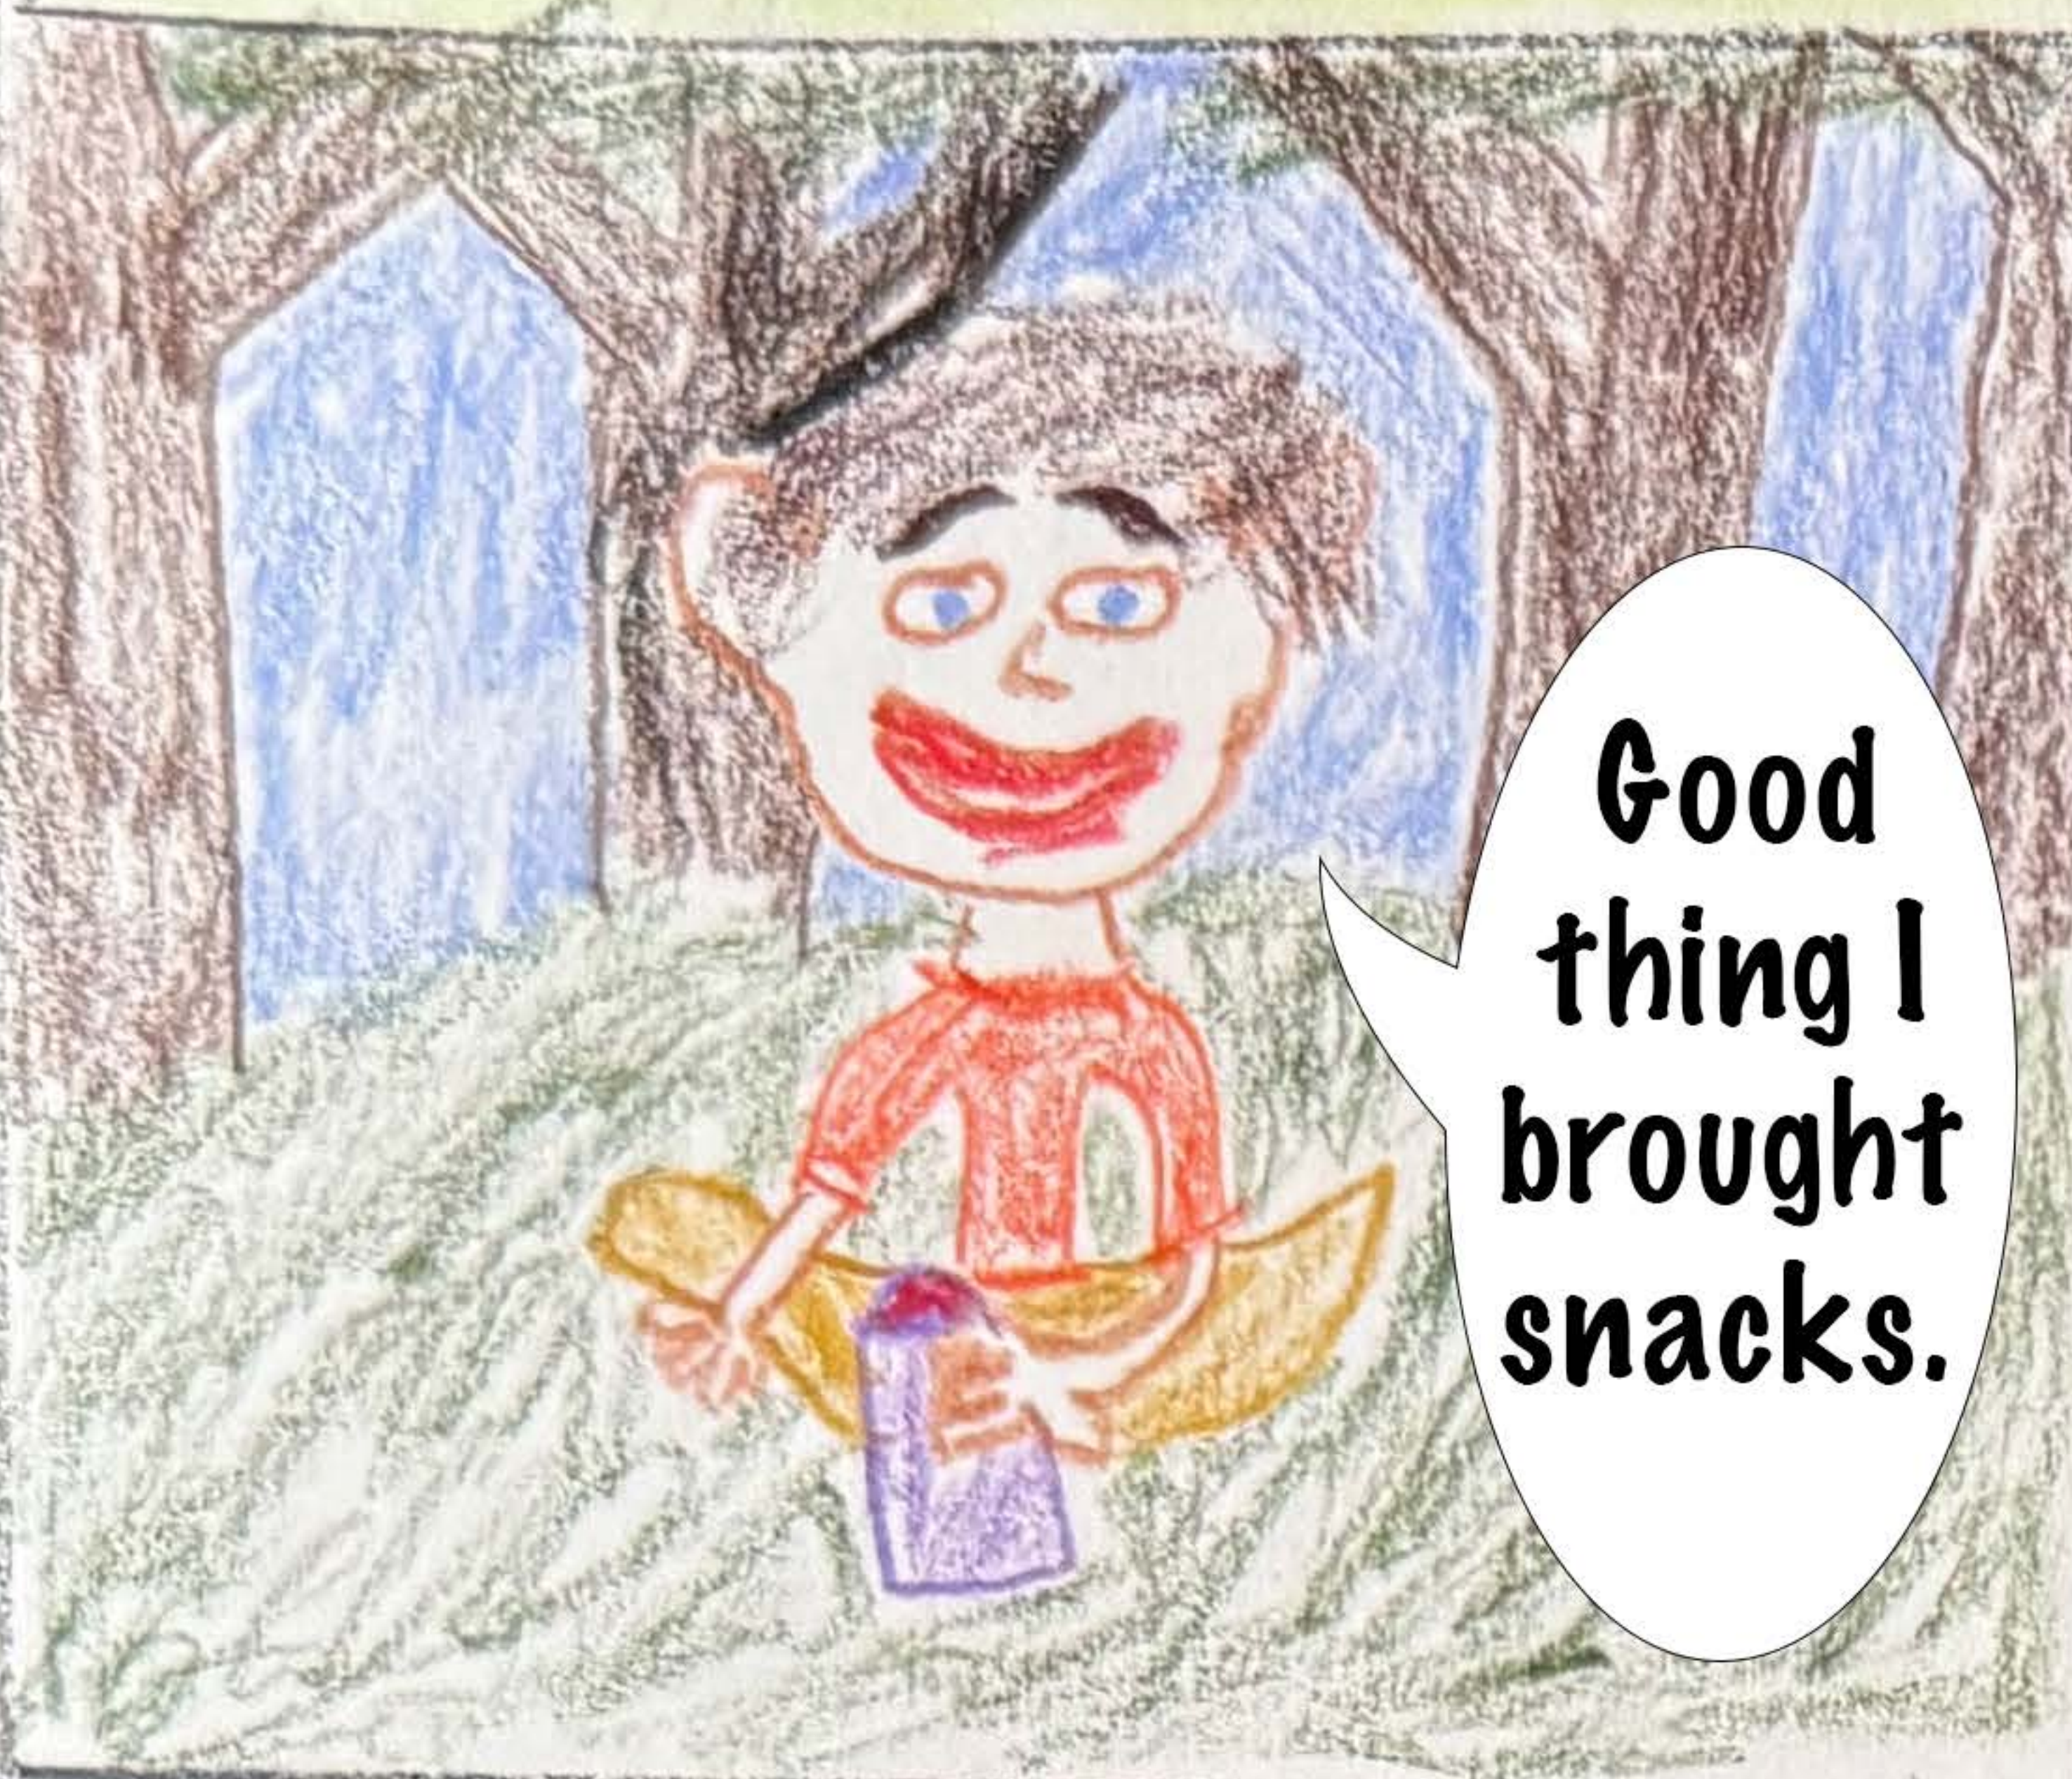

The owl is shown in flight, flying towards a small, old house with a red roof and a single window. The boy is standing in the foreground, watching the owl fly.

He's going in that old house!

The boy is standing in front of a wooden door, with his hand raised as if about to knock or open it. The door is set in a wall of light-colored wood.

Let's see what else is inside...

Levi's Path

Good thing I brought snacks.

It's a raccoon!
Hey, Buddy. Want a snack?

mmm

Wait! Don't take ALL the snacks!

Come back with my snacks!

You're not getting away that easily...

Skylar's Path

Are you sure this is the right way?

Look, it's an owl!

And there's a raccoon!

They're going in the window of that old house.

Let's find out what's really going on here...

Hello?

Meow?

Surprise!!!

What's going on?

We knew that when you found my disc you would come looking for us.

You didn't think we would forget your birthday, did you?

But...

How did you know we would find you?

We sent you helpers!

Now, blow out the candles, and make a wish!

I wish for...

What did you wish for?

We'll tell you when it comes true!
